HOLIDAYS

School holiday sessions - Fresh meals, creative and physical activities as well as workshops and trips away!

THE EPICs

A movement of young people who refuse to be idle or let their community label them as misfits. Found volunteering at community events across Hereford, bringing energy and fun wherever they go!

In all projects we aim to be:

SAFE

Young people should be free to enjoy their youth; free from risk-taking behaviour, free from abuse.

SUPPORTIVE

Our staff provide informal support on anything from school and family to drugs, relationships and healthy living.

INSPIRING

We run workshops and activities including media, music, arts, cookery, games tournaments, home skills, volunteering and community action.
